Online Patent Register and Online Gazette

Israel has an [Online Register](#) and an [Online Gazette](#) (Patents Journal).

Features and search functionalities

The Online Register has an **English** and **Hebrew interface**.

Through the Online Register you can retrieve information on **Fee Payment, Legal Status, PCT National Phase Entry, Patent Term Extensions**, and access the **Dossier/File Wrapper Information** and the **Full Publications**.

The Online Register can also be searched by **PCT Application/Publication Number**, by **Applicant/Inventor Name**, and by **Priority Data**.

Dated "Register Extracts" can be obtained through a link associated with each entry in the search result list.

The Online Gazette is published monthly in Hebrew and English. It is searchable by section and the results are displayed in HTML format, but PDF copy of the Full Publications and of the events can be displayed in PDF format. The current coverage is from 2011 to present. It also provides the bibliographic data of unpublished applications.
