

SUDAN - SD

Jurisdiction - General Information

The Sudan has been a Contracting Party to the Paris Convention for the Protection of Industrial Property and to the Patent Cooperation Treaty (PCT) since April 16, 1984. In addition, it is a party to the Patent Law Treaty (PLT).

The Sudan is a member of the African Regional Intellectual Property Organization ([ARIPO](#)).

More legal information about intellectual property-related laws and regulations of the Sudan can be found on [WIPO Lex](#).

Online Patent Register and Online Gazette

The Sudan has neither an **Online Register** nor an **Online Gazette**.

For further enquiries, please contact the relevant authority as indicated in the [WIPO Directory](#).

Features and search functionalities

ARIPO provides an [online information platform](#) for searching ARIPO and member states' national patents (which are currently being loaded) with an interface in English. For more information about ARIPO, consult the [detailed jurisdiction file](#).

There is currently a second patent database including patents of ARIPO and of ARIPO's members built on the WIPO Publish platform available at this [link](#), allowing a selection through a slider button between a search limited to the most frequently used fields and a broader one enlarged to a wide number of search fields, some of which however could be left empty.
